

Informed Consent for the Treatment of Facial Lines & Wrinkles with BOTOX® Cosmetic

You have the right to be informed about your skin condition treatment so that you can make the decision whether or not to undergo the procedure after knowing the risks and benefits involved. This information is not meant to alarm you, but to better inform you so that you may give or withhold your consent for the treatment of your cosmetic condition, as well, as help you formulate additional questions which may not have been covered in consultation.

Diagnosis: facial lines and/or wrinkles caused by aging, heredity, gravi	
factors; or a desire to sculpt the face by altering the contraction of targe	
and worsen lines and wrinkles by intentionally making an expression. I	
Jones or his designated medically licensed professional to treat lines/w	
forehead lines, frown lines and/or crow's feet and/or	. The injection of BOTOX® Cosmetic for this
purpose has been explained to me and my questions regarding such tree	
chemical peeling, laser resurfacing, dermal filler injections, face-lifting	
alpha hydroxy acids) its complications and risks have been answered b	
given to me has been in clear terms and I understand the risks and com	
has approved BOTOX® Cosmetic only for the glabellar region and that	
considered off-label use. The treatment plan is to inject a small amount	
produced by the Clostridium bacteria, into a targeted facial muscle to in	
of that muscle. This results in the relaxation of the muscle and improve	
action produced or improved contour of the face. The response is usual	
the muscle's action along with its associated wrinkles to return in 3 to ϵ	
its effects. I understand that lines and wrinkles present at rest may not	
alone, since BOTOX® Cosmetic is designed to treat lines caused by fa	
dramatic, a small number of patients may not respond to these treatment	
of medicine and surgery is not an exact science and that no guarantees	
in my case. Repeated sessions may be necessary in certain muscle grou	
for each treatment session. Larger muscle groups require more BOTOX	
according to the number of units of BOTOX® Cosmetic used. I may pl	
are completely at my discretion as to the number, extent or amount. I u	
be completely responsible for all charges at the time of treatment. I unc	
after my injections with Botox. I understand that I should stay upright a	and not lie down for 4 hours after injection. I will not
massage the injected sites for at least 4 hours. I understand that exercise	ing the injected muscle may cause a faster onset of
action. Side effects of BOTOX® Cosmetic may include but are not lim	ited to headache, bruising, pain during injection,
asymmetry, twitching, and numbness and in a small number of cases, d	lrooping of the eyelids or eyebrows. The injection may
not work for as long or as well as expected. I am not pregnant or nursir	ng and do not have any neurological diseases. If taking
Amino glycoside antibiotics, Penicillin, Quinine, I understand that thes	e medications may potentiate the effect of BOTOX®
Cosmetic. I give permission for photographs taken of all treated sites to	be used to document the medical record, teaching
purposes, illustration of scientific papers or for use in lectures. My nam	ne shall not be used in such publications. I agree to
follow up with Dr. Jones at his recommended intervals to assess my sta	atus and to inform him of any problem that I may be
having and allow him to see me at that time. My questions have been for	
this document, have not taken any medications which may impair my r	
understand its contents. I hereby give my unrestricted informed consen
